Website Evaluation C.A.R.T. Checklist

Your Name: _________________________________________
Website URL: ________________________________________
____________________________________________________

Yes

Checking off 3 or more “thumbs down” or “NO” boxes means you should look for a better website.

CURRENT:
- Copyright date or “last modified” date is present
- Information on page is current enough for my topic

ACCESSIBLE:
- Reading level is appropriate for me
- Information/graphics on the page is well organized

RELEVANT:
- There is enough information on my topic
- The information is specific enough for my topic

TRUSTWORTHY:
- Contributor’s name (author/editor) is on the page
- There is a link to “About Us” or “FAQs”

No
